POLL OF MEMBERS: The Board members were polled as to whether they could have attended a regular meeting at the office in a timely manner for the purpose of hearing evidence in a possible summary suspension case. The Board members stated that they would not have been able to attend.

With six members participating and four members unable to participate, it was established that a quorum could not have been convened in a regular meeting to consider this matter.

DAVID BLEVINS
Registration No. 0230-008844

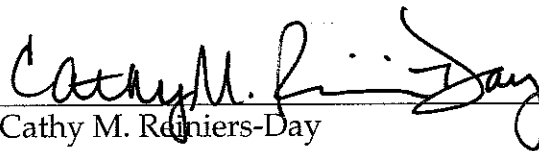

Wayne Halbleib presented a summary of the evidence in this case.

Decision: Upon a motion by Michael E. Stredler and duly seconded by John O. Beckner, the Board unanimously voted that with the evidence presented, the practice as a pharmacy technician

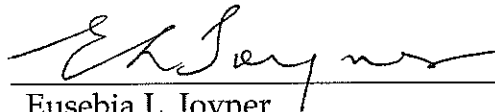

by David Blevins poses a substantial danger to the public; and therefore, that the registration of Mr. Blevins to practice as a pharmacy technician be summarily suspended; and that, with the Notice of Hearing, a Consent Order be offered to Mr. Blevins for the indefinite suspension of his registration for not less than two (2) years in lieu of a hearing.
